

Achievements since December:

Visits

All **four month** follow up visits are **completed**

There are only 18 ten month visits left – almost

are done!

THANK YOU for sparing the time to meet with us.

Conference presentations

Superb manager, **Dr Nick**

Behn, travelled to **Toronto**,

Canada, in March 2019. He

gave two presentations about

the Superb study at the

International Brain Injury

Association (IBIA) conference.

THE 13TH WORLD CONGRESS ON BRAIN INJURY
